**About Us**

In 1949 Edward L. Pucel founded Pucel Enterprises Inc. on the principle that a superior product insures life long customers. We have maintained this for over 60 years. He then set out to produce a line of all welded heavy gauge steel products. Unique to the industry, we can produce our standard equipment or custom engineered products in mass or in small quantities. Please take a moment to browse this literature and see for yourself the Pucel difference.

**Prices**

All prices are F.O.B. OUR PLANT, CLEVELAND, OHIO; and subject to change without notice; and they do not include any applicable taxes, duties, or any government charges. We reserve the right to invoice at the prices prevailing at the time of shipment.

**Specifications**

Specifications are subject to change without notice. Due to minor design changes, equipment may not conform exactly to photographs in catalog.

**Routing**

Shipment will be made the best way by commercial carriers; U.P.S. or parcel post is shipped prepaid. When shipment is prepaid at the customer's request, a separate invoice will be submitted, which must be paid within 15 days of invoice date; except however, U.P.S. and parcel post charges will be added to the original invoice.

**Packaging**

All items are packaged for domestic shipment. Additional charge will be made for special packaging.

**Damaged Goods**

When damage is noted on delivery, the carrier agent is to make the damage notation on your delivery receipt. **DO NOT SIGN THE DELIVERY RECEIPT UNLESS THIS IS DONE.** The consignee must make claim directly and promptly to the carrier for any damage. When damage is not discovered until all of the items are unpacked, request must be promptly submitted to the carrier for concealed damage inspection. All items are thoroughly inspected prior to shipment.

**Changes and Cancellations**

Items designed as special or modified catalog items are not subject to change or cancellation as they are manufactured for each individual order.

**Corrections**

Stenographic, clerical, or any other errors, are subject to correction

**Delays**

All orders, contracts and agreements are made subject to delays contingent upon accidents, strikes, embargoes, or any other causes beyond our control.

**Terms**

All prices are NET - 30 days from date of invoice. A 1% cash discount is allowed if payment is made within 10 days from date of invoice. Open account can be established with an acceptable Dun and Bradstreet rating. Firms listed and not rated, or not listed, are requested to submit three major trade references and one banking reference with their order to facilitate prompt handling.

**Overview**

These said "Sales-Terms and Conditions" apply to all of the equipment (Standard, Modified and Special), and related matters in this catalog, and are subject to the pricing as contained in the current Price List and subsequent Price Lists as issued from time to time, which may be issued without notice.

**Guarantee**

All Pucel Equipment is fully guaranteed to be manufactured in accordance with commercial standards and specifications shown in our catalog. Equipment is fully inspected before leaving our plant and is guaranteed against defective workmanship for 3 months from date of purchase. However, we cannot be held responsible for abuse by user beyond normal usage. This is your guarantee of a product of highest quality.

**Returned Goods**

All items returned without our written permission will be refused. Request for return of goods must be made within 10 days of the receipt of goods. A 15% handling and reconditioning charge will be made on authorized returned items. Goods must be returned pre-paid at customers expense. Special items, or modified catalog items, are not returnable.

**Purol Powder Coat Finishes**

**Industrial Finish-** 13 standard colors are available in addition to an infinite number of custom colors. Just send us a swatch or sample and we'll match it. All equipment is finished in an electrostatically applied powder coat finish.

**Purol Construction**

**All Welded Construction -** With exception to our knock-down benches and some shelving, all Purol Equipment is shipped ready to use of all welded construction. Welds mean no bolts or fasteners to loosen and create down time or unsafe conditions. We use MIG, TIG, and resistance welding done by experienced welders.

W-36144	36"	144"	344

**W Series - Knock Down Work Benches** - These benches available with hardwood, composition, or laminate top, two bench legs, and one stringer. A third leg is added for units 96" or longer. Bench includes bolts, nuts, lag screws, and washers. All parts are provided for easy assembly. Benches are 34¼" overall height. For details on all work bench options and accessories, see pages 38-39

■ **Options:** Drawers, cabinets, backboards, shelves, side & back stops, electrical knock-outs, risers & pigeon hole units.

All benches are available with heavy duty adjustable legs. Workbench height adjusts from 32 ½" to 37 ½" on 1" centers.

All 96" & 120" Long Benches Consist of 3 Leg Pairs

**HBS & HBW Series - Ergonomic Hydraulic Work Benches** - These ergonomic benches allow operators to adjust their work surface to accommodate specific height needs with ease. Benches can be ordered with 8", 12" or 16" height adjustment. 16" adjustment available on benches 34" deep or larger. Available with manual crank handle or electric adjustment. The manual crank folds under bench when not in use. The electric unit can adjust height with the push of a button.

■ **Capacity:** 1,000 lbs. capacity for 8" & 12" adjustment, 750 lbs. capacity for 16" adjustment.

■ **Options:** Drawers, side & back stops, cabinets, riser shelf & pigeon hole units

**HBW Series - Hardwood Top Hydraulic Benches**

## Arc Welding Benches

**AW-3636-S-DR**

**AW-3636-DR**

**AW-3636-WS-DR**

**AW & AWS Series** - Built for rugged service. The 12 gauge top has side and backstops. Legs are double formed, embossed 14 gauge steel. Shelf is divided into three equal sections for the storage of welding rods. AWS Series include 34" tall shield on 3 sides, with either solid or see-thru filters allowing safe observation. Overall height with shields 68".

■ **Dimensions:** 36" W x 36" D x 34" H.

■ **Weight:** 125 lbs., 140 lbs. w/1416 drawer, 180 lbs. with shield.

■ **Options:** Drawer, cylinder lock, solid shield, see-thru shield.

**GW-3636**

## Gas Welding Benches

**GW Gas Weld Bench** - A sturdy gas welding bench for extra strength and durability. Top is constructed of 12 gauge steel, capable of holding 32 fire bricks (not furnished). Embossed 14 gauge steel legs. 16 gauge shelf divided into three equal sections for rod storage. Pads on bottom to protect floor. Shipped knocked down (some assembly required).

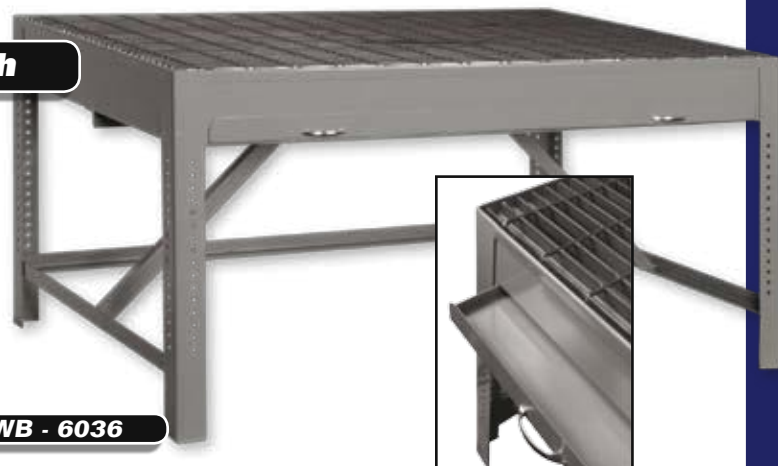

■ **Dimensions:** 36" W x 36" D x 34" H. ■ **Weight:** 95 lbs., 110 lbs. w/1416 drawer.

■ **Options:** Drawer, cylinder lock

## Pro Welding Bench

### PWB Series - Pro Welding Bench

Model	W	D	H	Wt.
PWB - 3624	36"	24"	Adj.	185
PWB - 6036	60"	36"	Adj.	370

**PWB - 6036**

**PWB Series** - These height adjustable benches accommodate all welding processes: MIG, TIG, GMAW, SMAW, FCAW, GTAW & brazing. Complete removable steel grating. Adjusts from 30" to 42" high to meet the needs of any welder. Convenient pull out tray for easy slag and debris removal. Constructed of all-welded 12 ga. steel with 10 ga. steel legs. No assembly required, ready to use.

**Versatile Modular Work Bench**

**VMW Series - Versatile Modular Bench - Hardwood Top**

Model	W	L	Wt.

## 3 Sided Carts & Trucks

# CARTS & TRUCKS

# 3 SIDED

UP TO  
3,000 LB  
CAPACITY

**3ST-2860**

**3ST Series - 3 Sided Platform Truck** - See-thru design for visual inspection. Heavily reinforced 12 gauge steel platform. Sides and back are constructed of 3/4" flattened expanded metal.

- **Dimensions:** 12" from floor to deck. 48" from deck to top frame.
- **Casters:** 2 swivel, 2 rigid 8" x 2" phenolic or 8" x 2" semi-steel.
- **Capacity:** 3,000 lbs.
- **Options:** Perforated steel double doors and top, floor lock.

2,400 LB  
CAPACITY

**SS-60**

**SS Series - Sliding Shelf Truck** - For large or heavy stock orders. See-thru design for visual load inspection. The shelves are easily removed by sliding out of channels, permitting truck to be used for large bulky materials. Standard unit consists of two smooth sliding shelves and fixed bottom shelf.

- **Dimensions:** Shelves slope 2" to the rear, 18" shelf clearance
- **Casters:** 2 swivel, 2 rigid 6" x 2" semi-steel or phenolic.
- **Capacity:** 2,000 lbs. ■ **Options:** Floor lock, wheel brakes.

1,500 LB  
CAPACITY

**3SC-36**

• Shown in Pucel dark blue

**3SC Series - 3 Sided Stock Cart** - Cage design for maximum visibility. Deck is formed of 12 gauge steel. Perfect for large or bulky items.

- **Casters:** Choice of 2 swivel, 2 rigid 5" x 2" phenolic or semi-steel casters.
- **Capacity:** 1,500 lbs. ■ **Options:** Wheel brakes.

**CST-24**

**CST-24 - Cage Stock Truck** - Elevated platform eases loading and unloading. Ideal for use in the printing and paper handling industries.

- **Dimensions:** 24 1/2" W x 42" L x 62" H.
- **Casters:** 2 swivel, 2 rigid 5" poly casters.
- **Capacity:** 1,000 lbs.
- **Options:** Floor lock, wheel brakes.

**Sheet & Panel Trucks**

**YZ-100**

**YZ-100 - Lumber & Material Truck**  
 - Holds both large sheet goods as well as smaller items on its two integral shelves. Extended push handle aids in mobility. 65" in length including extended handle.  
 ■ **Dimensions:** 42" W x 24" D x 44¾" H.  
 ■ **Casters:** 2 swivel, 2 rigid 6" x 2" mold-on.  
 ■ **Capacity:** 1,200 lbs. ■ **Weight:** 145 lbs.  
 ■ **Options:** Floor lock, wheel brakes.

**1,200 LB CAPACITY**

**YZ-75**

**YZ-75 - Lumber & Material Truck**  
 Heavy duty all welded unit. Uprights separate materials for easy handling. Expanded metal bottom shelf holds smaller items.  
 ■ **Dimensions:** 26" W x 24" L x 39" H.  
 ■ **Casters:** 2 swivel, 2 rigid 6" x 2" mold-on rubber.  
 ■ **Capacity:** 1,200 lbs. ■ **Weight:** 72 lbs.  
 ■ **Options:** Floor lock, wheel brakes.

**SPT-2842**

**SPT-2842 - Panel & Sheet Truck**  
 Used for moving sheet goods, office dividers, etc. End stop on the length of the deck keeps material from sliding off truck. Inclined uprights help to contain material. Decking construction is of ½" plywood.  
 ■ **Dimensions:** 42"W x 28"L x 49"H.  
 ■ **Casters:** 2 swivel, 2 rigid 6" x 2" phenolic  
 ■ **Capacity:** 2,000 lbs. ■ **Weight:** 105 lbs.

**2,000 LB CAPACITY**

**Specialty Carts**

**MFC-25**

**MFC-25 - Cleaning Cart** - Designed to contain buckets, vacuums & cleaning supplies. Features 2 2" sockets to secure long handled items (brooms, mops)  
 ■ **Dimensions:** 25"W x 33"D x 41"H. Bottom deck size, 25"W x 25"D x 2" tray. Accessory box, 22½"W x 10½"D x 8"H.  
 ■ **Casters:** 2 swivel, 2 rigid 5" x 1¼" Poly.  
 ■ **Capacity:** 1,000 lbs. ■ **Weight:** 68 lbs.  
 ■ **Options:** Extra handles, handle sockets on both ends, reversed platform style base.

**TA-24**

• Shown in Pucel red

**TA-24 - Tote-All Hand Truck** - This multi-purpose truck is well suited as a four wheel cart or two wheel hand truck.  
 ■ **Dimensions:** 24" W x 16" D x 28" H. 42" to top of angled tubular handle.  
 ■ **Casters:** 2 8" x 1¼" semi-pneumatic rubber tires & 2 3" x 1¼" hard rubber swivel casters.  
 ■ **Capacity:** 375 lbs. ■ **Weight:** 52 lbs.

**TPH-24**

**TPH-24 - Tote Pan Hand Truck** - Sits level on 4 wheels. Easily maneuvered like a 2 wheeled hand truck or pushed as a cart on four wheels. Gusseted shelves have open front for easy loading and unloading.  
 ■ **Dimensions:** Trays are 24"W x 12"D with 2" sides and back. 12" spacing between shelves.  
 ■ **Casters:** 2 8" x 1¼" semi-pneumatic rubber tires & 2 3" x 1¼" hard rubber swivel casters  
 ■ **Capacity:** 375 lbs. ■ **Weight:** 55 lbs.

## Heavy Duty Long Stock Trucks

**BRT-72**

### BRT Series - Heavy Duty Bar & Rod Truck

- 12 gauge steel deck and 4" channel uprights makes this unit strong enough for transporting the heaviest tubing, pipe, angle, etc. All models 60" overall height. Height above deck 48".

■ **Casters:** 2 rigid, 2 swivel 8" x 2" Semi-steel or mold-on rubber casters.

■ **Capacity:** 3,000 lbs.

■ **Options:** Floor locks, wheel locks.

CAPACITY**

**CS Series - Corner Caster Shoes** - Ideal for making wood pallets or boxes portable at low cost. Shoes slide under corners.

Can be bolted, screwed, or nailed permanently. Constructed of 12 gauge steel. Set of 4

■ **Dimensions:** 8" x 8". 5¼" overall height. 2" flange, with 7/16" holes for mounting ■ **Castors:** (4 swivel) 3" x 1¼" semi-steel or hard rubber

■ **Capacity:** CS-3R rubber; 1,000 lbs. CS-3S steel; 1,200 lbs ■ **Weight:** CS-3R 15 lbs., CS-3S 17 lbs.

**Casters**

**Quality Casters** - For original specification or replacement. Casters equipped with zerk grease fittings for lubrication (except soft rubber casters). All casters available with wheel brake, four position or total locking brakes. Pucel equipment is always available with multiple caster options including wheel materials, capacities, widths, sizes, hubs & tires in pneumatic, semi-pneumatic & solid.

■ **1"¼" Polyurethane** - Highly mobile polyurethane tread on composite hub. Excellent for light & medium duty use. Non-marking, non-conductive wears well on most common surfaces. Highly durable industry standard.

■ **Semi-Steel** - High load capacity cast iron wheels on formed & welded steel legs. Longest life on concrete, although not ideal for floor protection.

■ **Mold-on Rubber** - Cushion rubber tread on cast iron hub. Offers additional floor & shock protection.

■ **Phenolic** - Provides best all-around service for heavy loads, non marking, non conductive. Resistant to oils & gasoline.

■ **Polyurethane / Cast Iron** - Extra durable polyurethane tread provides excellent wearability. Superior resistance to most chemicals. Non-marking.

**Premium Casters**

**Quality Casters** - These precision engineered casters greatly decrease rolling resistance reducing effort and risk of injury. Comprised of ball bearing swivel raceways and wheel hubs these high performance casters carry the total unit's weight on all floor surfaces. Ask your Pucel representative for details.

**Drum Storage**

**2,500 LB CAPACITY**

**#85C**

• Shown in Pucel orange

**#85**

**85 Series Drum Storage Racks** - These racks hold four drums in readily accessible positions. Designed for loading ease with whatever equipment you may now have. If your hoist does not travel over your rack, the 85-C model can be moved under your hoist.

- **Dimensions:** 60"W x 30" D x 54"H.
- **Casters:** 85-C; 6" x 2" semi steel casters (2 rigid, 2 swivel).
- **Capacity:** 2,500 lbs. ■ **Weight:** 85, 180 lbs. 85C, 198 lbs.

**EBR-18CR**

**EBR-18C**

**EZY - Down Drum Cradles** - These heavy duty drum cradles easily position drums from vertical to horizontal position. break the heaviest loaded drums from a vertical to a horizontal position. EBR-18CR features rollers to mix drum contents. Casters provide ease in rotating and positioning the drum while the drum is on the cradle.

- **Dimensions:** 31"W x 18 1/4" D x 18" H
- **Casters & Wheels:** 2 3" semi-steel swivel casters, and 2 3" semi-steel wheels.
- **Capacity:** 700 lbs. ■ **Options:** Extra #18 Handle

**EBR Series - EZY Down Drum Cradles**

**AD-23**

**LBR-909**

**AD Series - Drum Dollies** - Adjusts to fit your requirements. For round, square, rectangular or any irregular shaped container. AD-15 adjusts from 14 1/4" to 19 1/4". AD-23 adjusts from 23 1/2" to 36 1/2".  
 ■ **Casters:** (4 swivel) 3" x 1 1/4" semi-steel or rubber  
 ■ **Capacity:** 1,000 lbs.

**DT-25**

**DT-25 - Drum Dolly Truck** - For transporting drums or other containers. Bracket on handle for holding cable or hose. Accessory box welded to handle for storage of tools and parts.  
 ■ **Dimensions:** Accessory box size 6"W x 21"L x 12"H. Deck size 25"W x 25"L x 2"D.  
 ■ **Casters:** 2 rigid, 2 swivel 5" x 2" semi-steel or phenolic.  
 ■ **Capacity:** 2,000 lbs. ■ **Weight:** 63 lbs.

**#71**

**#71 & #73 - High Drum & Can Dollies** - These raised dollies provide a platform to gravity fill buckets and pails. They take up less space than drums in a horizontal position. #71 designed for 55 gal. drums. #73 perfect for 30 gal. drums.  
 ■ **Dimensions:** #71; 24" W. at the top, 30" at bottom, 19 1/2" H. #73; 19" W at the top, 21" at bottom, 19 1/2" H.  
 ■ **Casters:** 4 swivel 3" x 1 1/4" rubber or semi-steel casters.  
 ■ **Capacity:** Rubber casters 700 lbs., semi-steel 900 lbs. ■ **Weight:** 44 lbs.

**AD, #70 & #80 Series - Dollies**

Model	Overall Dia.	I.D.	Finish	Wt.

#83-G	24 1/2"	19"	Galv.	22

**#75 - #83 Series - Drum Dollies** - Large size easy rolling casters permit quick, safe transportation of even the heaviest loaded drums. 24" diameter holds standard 55 gallon drums or other similar size containers. 19" diameter for 30 gallons or smaller containers. Galvanized finish for institutional, food processing and sanitary use. Floor clearance 4" on all models. 2" sides on #82 and #83.  
 ■ **Casters:** (4 swivel) 3" x 1 1/4" semi-steel or rubber.  
 ■ **Capacity:** 1,000 lbs.

**LBR-909 - Low Drum Dolly Truck** - This low drum truck has a steel tubular T handle. The swivel caster enable excellent maneuverability. The low profile allows easy loading and unloading. Handles 24" diameter drums. LBR-909H Unit with hinged handle.  
 ■ **Dimensions:** 28"W x 33"H 1 1/2" low underslung, 8" above floor.  
 ■ **Casters:** One 3" hard rubber swivel & 2 6" x 2" phenolic wheels.  
 ■ **Capacity:** 800 lbs. ■ **Weight:** 45 lbs.  
 ■ **Options:** Hinged handle.

**Drum Lifters, Grips & Hooks**

**#80 Drum Up-ender** - Tilts drums from horizontal to vertical position with ease, speed & safety. Gives maximum leverage for lifting even the heaviest loaded drums. **Weight:** 12 lbs.

**VH-100 Drum Lifter** - Lifts from any angle. Load can be balanced. Easily adapted to lift objects of all shapes or lengths. Automatic "upsetting" of containers by adjusting sliding hoist collar. Holds rigidly even when load sways. Adjustment between jaws 16" minimum to 40" maximum. **Capacity** 1,000 lbs. **Weight:** 24 lbs.

**#24, #25, #26 & #210** - Easy handling by one person. In seconds the hooks can be slid on and tightened into place. Removes just as easily, no wrenches required. No. 210 Double Fork Hook has maximum openings, which permit an outside fork spread of 20-3/4". **Capacity:** Single fork - 3,000 lbs, Double fork - 4,200 lbs.

**Fork Swivel Hooks**

Model	Frame	Opening	Weight
#24	Single	2" x 4"	17
#25	Single	2" x 5"	18
#26	Single	2" x 6"	19
#210	Double	2" x 10"	50

**750 LB CAPACITY**

**#84 Drum Sling** - Lifts drum horizontally. The harder the pull, the tighter the grip on the drum. Use the drum sling to load your Pucel drum rack. **Capacity:** 750 lbs. **Weight:** 11 lbs.

**#235 Vertical Drum Lifter** - For open or closed drums used with fork trucks, chain falls, and hoists. Fast turning crank handle to lock upper jaw to drum top. Holds drum rigidly, even when swaying or when bumped. Lifter moves 55 gallon, 30 gallon, and smaller steel drums. **Capacity:** 2,000 lbs. **Weight:** 32 lbs.

**#100 Barrel & Drum Truck** - Tubular construction with ball bearing mold-on rubber wheels, absorb shock, provide easy handling and quiet operation. Polymer grip handles. Balanced load exerted on the axle, bearings and wheels, and off the operators arms and shoulders. **Dimensions:** 42" H, 20" W, Toe Plate 5" x 19" **Wheels:** 8" x 2" mold-on rubber wheels **Capacity:** 800 lbs. **Weight:** 58 lbs.
